What do you need to move to Mallorca?

What do you need to move to Mallorca?

To avoid most of the cliffs on your way to relocate and to make a successful restart in Mallorca, check out our checklist for moving to Mallorca.

- 1. Visit the website of the Spanish consulate to prepare all the necessary documents for living in Mallorca.
- Prepare the necessary amount of money to move to Mallorca.
- 3. Decide whether you plan to sell your property in your country or keep it.
 If you will keep it, calculate the maintenance costs.
- 4. Suspend payment of those utilities that you do not plan to use home internet, TV, gas, etc.
- Frepare your luggage for the first 2-3 weeks of living in Mallorca.
 A delivery company can ship the rest.
 You can save money if you ship by sea, not by air.
- ✓ 6. Contact Real Estate Brokers in advance (2-3 weeks before leaving).When you are in Mallorca, you can start viewings without wasting time.
- 7. Take care to dispose of unnecessary items.You can give them to acquaintances, sell or give them to charity.

What do you need to move to Mallorca?

- 8. Plan your flight. You can save up to 50% on the ticket price if you buy in advance.
- 9. Get a medical check-up in your country before moving to Mallorca. Obtain prescriptions for medication if necessary.
- 10. Get legal and tax consultation both in our county and Mallorca.
- 11. If transporting a pet, find out what vaccinations it must have.

 The rules in your country and Spain may differ. Mallorca is a warm place with more pests and ticks' varieties. Also, be sure to chip your pet.
- 12. Check whether your health insurance is valid in Spain and which clinics you can use it for.If it is not, you should cancel it before moving to Mallorca.
- 13. If you plan to work in Mallorca, you can look for a suitable position before moving. Infojobs.net is a good start.
- 14. Read our blog. Here you will find lots of valuable tips and tips for moving and living in Mallorca!
